Good Morning Erin,

I will actually be out of the office 9/15 – 9/20; so we may have to push it off to October.

Please send those dates in October and I'll see how our schedules mesh.

Doug

Doug –

The City would like to meet with you at your convenience to hear your feedback on the draft LTCPU. Unfortunately, the only date I could find for all of September was Friday September 16th. Both morning and afternoon are available. If that date doesn't work for you or isn't enough time for you to complete your review, I can pull some days for the first week of October and send them to you.

Thanks,
Erin Bevis-Carver, P.E.
